

Study for a Class (does not required IRB Approval because results will not be published). Student is filling out this form and having participants to sign it to understand what the process is like.

*** RESEARCH PARTICIPANT INFORMED CONSENT FORM**

*Sections preceded by a * are required in all consents for non-exempt studies (unless waived*

* Please read this document carefully before you decide to participate in this research study. **Your participation is voluntary, and you can decline to participate, or withdraw consent at any time, with no consequences.**

*** Study Title:**

LegendSphere: Website User Test

*** Person(s) conducting the research:**

Brad Melchor - Personal investigations – LegendSphere Gaming CEO

Email: LegendSphereGaming@LegendSphere.com

Address: 1337 Gamers LN

San Diego, California 61969

*** Purpose of the research study:**

Study for a Class (does not required IRB Approval because results will not be published). Student is filling out this form and having participants to sign it to understand what the process is like.

The purpose of this study is to test a website user's reaction to the website and how they would navigate through the website. Information gathered will help with improvement of website and capture user's reactions.

*** What you will be asked to do in the study:**

you will be required to navigate through tabs and pages on the website. After navigating through the website, you will type in input to the boxes and test the outcome. Afterwards, fill out a simple questionnaire about ideas, thoughts, and reactions. Turn in the questionnaire and your signed consent forms.

*** Time required:**

The time required should be no longer than 5-10 minutes to perform the test and a few minutes to fill out questionnaire.

*** Risks and benefits:**

There is no direct risk of performing the project besides boredom, confusion, and at worst case, learning something new.

There is no direct benefit relating to you for performing this test.

*** Confidentiality:**

Privacy and confidentiality will be retained with data that is obtained from study and only shared with the Professor who will be grading this assignment. Your name **may** only be the information that can be viewed outside of the performer of this test. The information provided by questionnaire will be used to help Improve upon the website and some answers provided will also be shared to the professor grading this assignment.

*** Compensation:**

Compensation provided for performing this test will be the Enchiladas I have cooked for you, or will cook for you, before or after you performed this test.

Source(s) of funding for the research:

Santa Fe College - Public

LegendSphere Gaming - Public

Melchor Industries - Private

Study for a Class (does not required IRB Approval because results will not be published). Student is filling out this form and having participants to sign it to understand what the process is like.

May the researcher(s) benefit from the research?

We may benefit professionally if the results of the study are presented at meetings or in scientific journals.

* Withdrawal from the study:

* You are free to withdraw your consent and to stop participating in this study at any time without consequence.

* You are free to decline any answer if you wish.

* Information provided will be used only by LegendSphere for improvement of website but not provided to research studies.

* If you wish to discuss the information above or any discomforts you may experience, please ask questions now or contact one of the research team members listed at the top of this form.

* If you have any questions regarding your rights as a research subject, please contact the Institutional Review Board office (location would be provided here)

* Agreement:

* I have read the procedure described above. I voluntarily agree to participate in the procedure and I have received a copy of this description.
